

This big cab has a deep, dark plum color with purple hues with nice viscosity illustrating the dense weight and alcohol percent. The aromas are classic Bordeaux notes such as blueberry, huckleberry, pencil lead and cassis notes. The palate is ripe and rich with supple, silky black cherry and blueberry flavors. The mid palate showcases the ripe fruit and integrated French oak.

After opening up, the wine reveals a vibrant Cabernet Sauvignon tannin structure which showcases both its backbone and age-ability while finishing with rich plummy and ripe cherry fruit and cherry vanilla on the finish.

This wine has been carefully crafted from grapes grown within 4 sub-districts in the Paso Robles AVA: Adelaida, Templeton Gap, Creston and Santa Margarita Ranch. We vinify each of these vineyards separately and process and ferment each independently to bring the best out of each vineyard. After a 3-4 day cold soak we ferment each Cabernet lot over 3 daily pumpovers prolonging the skin contact until 14 days have elapsed. We then rack each onto French oak and put the wines through Malo-Lactic fermentation. Once the wines are racked and sulfured and laid to rest in 2 year old French oak for a period of 18 months and finished for the final 3 months in new French oak. During its life in the cellar it is racked 4 times. Once the final blend has been made the final (5th rack) combines our selection of each vineyard which is clearly expressed in the bottle.

FOOD PAIRINGS ▼

This Cabernet Sauvignon pairs very well with virtually any grilled meat from seasoned, spit roasted chicken and slow cooked pork such as Carnitas, it is perhaps best with a grilled New York or Flat Iron steak and frites (french fries). That said a steak salad with a mesclun of lettuces and roasted beets will do well for lunch. This wine is also just a really nice glass of Cab on its own as it is varietal and generous in its fruit, acid and tannin balance.
