TASTING NOTES ▼

This unique blend of Chenin Blanc and Viognier is vibrant flint color and really jumps out of the glass with pure tropical fruit including guava, passion fruit and mango with a hint of clove. On the palate this wine is generous in acidity due to the cool climate Chenin Blanc while the finish is rounded a bit from the juicy Viognier. The flavors are a mixture of Fuji apple, ripe pineapple and are balanced on a matrix of honey and jasmine and star anise which then fold into citrusy yumminess.

FOOD PAIRINGS ▼

This wine is a fine choice with goat cheese dishes like roasted and chilled beets tossed in Champagne vinaigrette with toasted almonds. It's a slam-dunk patio pounder and overall refreshing warm weather sipper too. But it's best with with goat cheese, pine nuts and roasted garlic.
