

**V-SERIES**

Vinum Cellars is a small California Winery well known for producing wines of the highest quality. The grapes are selected from premium coastal and cool climate growing areas within California. The wines are made by hand in small batches to allow the varietal character of each wine to express itself.

**VINUM CELLARS = GREEN BRAND**

As an environmentally conscious company, Vinum Cellars works only with sustainable growers to create Eco-Friendly products. The packaging choices were made specifically to minimize their carbon footprint. Some of those features are: Domestically produced light weight, Eco-Series glass; labels and cartons using only non-toxic, water based inks and each of these suppliers recycles 100% of the waste created by manufacturing our packaging.
