VINUM CELLARS
CALIFORNIA
PINOT NOIR

2009

Deep garnet color with ripe cherry and strawberry rhubarb, earthy and subtle clove spice. On the palate it's a full bodied Pinot with finesse of Burgundian style in its reserved use of oak, yet it's sappy on the palate with rich, sweet cherry and soft tannins. This is a serious Pinot Noir which drinks better than most wines at twice the price. This wine pairs well with seared tuna with couscous, or Peking Duck with spinach or pork chops with haricot verts.
