pH.....	3.77

### VINUM CELLARS

#### 2018 PETITE SIRAH, CLARKSBURG

The intense aromas express blue-berry and huckleberry fruit notes. The wine is refined with a rich French Oak barrel profile integrated in the mid-palate and a silky platform for the cassis spice and sappy vanilla flavors. The wine is well structured and full bodied with elegant tannins allowing the flavors and character of the variety to shine through. The finish is rich with dark chocolate and creamy Tahitian vanilla.
