## VINUM CELLARS 2022 CHARDONNAY, SONOMA, CARNEROS THE INSIDER

Grown on the Sonoma side of Carneros by a well-known grape-growing family, the 2020 Chardonnay The Insider is more subtle than the straightforward Monterey version, with understated notes of pear, melon, crushed stone and pencil shavings on the nose. In the mouth, it's full-bodied and generous without being overbearing, long and elegant.
