RED DIRT RED
rhone style red blend

This is Southern Rhone inspired red blend of Syrah, Mourvedre & Grenache, a juicy red wine with exotic spices. It expresses earthy, leathery notes up front and then ripe cherry and raspberry top notes follow. The palate is juicy with ripe cherry and vanilla, the core is spicy with clove, star anise and white pepper. The cherry vanilla folds into dried cherry, blueberry fruit and then a hint of truffley terroir suggests of its old world varietal heritage. Excellent with cassulet or other stews, lamb and duck.
